

Massive

Inner Circle

You're so massive
You're so fine, you're so fine
You blow my mind

She's massive, she's attractive
Yes, she's the kind of girl I've been looking for
She's so fine, she blows my mind
Yes, she's massive and she's attractive
Yes, she's the kind of girl I've been looking for
She's so fine, she blows my mind

Roses are red and violets are blue
Little girl, I wanna make sweet love to you
All through the night
'Til the broad daylight

I love the way your water pumpee
Round the world and cool and deadly
Rock with me
Straight through the night

It's been a long time
I've been watching you
I got to tell you what I wanna do
Won't you be mine, mine all the time

Yes, she's massive and she's attractive
Yes, she's the kind of girl I've been looking for
She's so fine, she blows my mind
Yes, she's massive and she's attractive
Yes, she's the kind of girl I've been looking for
She blows my mind, mine all the time

You're a one in a million to me, little girl
Yes, you are so special to me
I want you to know
Oh, please, please don't know

Yes, you're the one that I adore
Oh, oh, my chérie amour
I've got to have you
Hope you want me too

Yes, you're massive and you're attractive
Yes, you're the kind of girl I've been looking for
Say you'll be mine, mine all the time
Yes, you're massive and you're attractive
Yes, you're the kind of girl I've been looking for
Please be mine, mine all the time

Yes, you're massive and you're attractive
Yes, you're the kind of girl I've been wanting to
Wanting to make love to all night
Straight through the night
'Til broad daylight

Yes, you're so massive and you're attractive

Yes, you're still the kind of girl I've been wanting to
Spend the whole night through, yeah, yeah
Yes, you're so massive and you're attractive
Yes, you're still the kind of girl I've been looking for
Please be mine, be mine all the time
