

Pennies From Heaven

Inner City

(Oh, when he's around)

Peace, can we hold it together?
Seems to me like we're having a problem
Can't we try to talk it through, just me and you?
If we keep the faith then I know we can solve it
(Hey, yeah)

(It's so special, lend me your helping hand)
(Let's make the peace, my sisters and brothers)
(No)
(Reach out a hand, touch each and everyone)
(Caring to share pennies from heaven)

Ooh, whoa, yeah, yeah
Ooh, ooh, ooh, ooh-ooh-ooh, yeah

If you see someone who's lost their way
Seems to me like we're having a problem
Just reach out and help them out as best you can
No one said we could solve every problem
(No, no, no, yeah)

(It's so special, lend me your helping hand)
(Let's make the peace, my sisters and brothers)
(A hand, you know, yeah, yeah)
(Reach out a hand, touch each and everyone)
(Caring to share pennies from heaven)

(It's so special, lend me your helping hand)
(Let's make the peace, my sisters and brothers)
(Reach out a hand, touch each and everyone)
(Caring to share pennies from heaven)

Ooh-yeah, ooh-yeah, ooh-yeah
Pennies
Ooh-yeah, ooh-yeah, ooh-yeah
Pennies

(Oh-yeah, oh-yeah, oh-yeah)
When he's around
(Oh-yeah, oh-yeah, oh-yeah)
When he's around
(Oh-yeah, oh-yeah, oh-yeah)
When he's around
(Oh-yeah, oh-yeah, oh-yeah)
When he's around
(Oh-yeah, oh-yeah, oh-yeah)

My sisters and brothers
When he's around

(Ooh, yeah)
Can we make a peaceful world?
Ooh-ooh
Pennies from heaven

(It's so special, lend me your helping hand)
(Let's make the peace, my sisters and brothers)
(Reach out a hand, touch each and everyone)
(Caring to share, pennies from heaven)
