

# That Feeling

Inner City

Woohoo, woohoo  
You give me that feeling, yeah yeah  
Woohoo, woohoo  
You give me that feeling, oh yeah  
Woohoo, woohoo  
You give me that feeling, say you give me that feeling  
Woohoo, woohoo  
You give me that feeling, oh yeah

I'm feeling the emotion  
It's music in my mind  
You take me to a place, yeah baby  
That I just can't describe

Feeling awkward over me  
Any thing that's to my knees  
I fashion when the ocean meets the sky  
Is the sound of idea  
Everytime you're next to me  
Love and you still gets me every time

Woohoo, woohoo  
You give me that feeling, yeah yeah  
Woohoo, woohoo  
You give me that feeling, say you give me that feeling  
Woohoo, woohoo  
You give me that feeling

This energy is higher  
You light me up inside  
And I'm graving our relation, baby  
You're loving makes me high

Feeling awkward over me  
Any thing that's to my knees  
I fashion when the ocean meets the sky  
Is the sound of [?]  
Everytime you're next to me  
Love and you still gets me every time

Woohoo, woohoo  
You give me that feeling, yeah yeah  
Woohoo, woohoo  
You give me that feeling, say you give me that feeling  
Woohoo, woohoo  
Oh yeah  
Woohoo, woohoo  
Oh yeah  
Woohoo, woohoo  
You give me that feeling  
Woohoo, woohoo  
You give me that feeling, yeah yeah  
Woohoo, woohoo  
You give me that feeling, oh yeah
