

## Bones

Inner Wave

I waited for you to call  
The phone didn't ring at all  
And when you told them no  
Oh, how I felt that  
In my bones

I hope that you will wait some more  
In time I will be at your door  
I hope you won't forget my face  
'Cause if you do I'll know

I'd like this trip to go on  
For a million miles more  
But there's this fork in the road  
What can we do, alone?

I hope that you will wait some more  
In time I will be at your door  
Big smiles finally in your home  
But until then, unknown
