Inner Wave

Wait a minute, I'm starting to forget my past
And time keeps slippin', you never know what will last
Basically, we're runnin' 'round in circles now
Teary-eyed when thinkin' 'bout the past somehow

You belong to me
You belong to me
Silently, I believe
You belong to me

Wait a second
You are talkin' way too fast
For me, I'm guessing
You weren't taught to laugh

Take me down to my knees
All things end, indeed

You belong to me
You belong to me
Silently, I believe
You belong to me

You belong to me
You belong to me
Silently, I believe
You belong to me
