

Eclipse

Inner Wave

Try it's right there for your eyes
If you push it you can get it in time
I'm the only thing left to hide
Try it's right there for your eyes
If you push it you can get it in time
I'm the only thing left to hide

I'll reach out to you, you'll reach out to me
I'll be right here waiting
I'll reach out to you, you'll reach out to me

Try it's right there for your eyes
If you push it you can get it in time
I'm the only thing left to

I'll reach out to you, you'll reach out to me
I'll be right here waiting
I'll reach out to you, you'll reach out to me
I'll be right here waiting
When I talk to you, patience is the key
I'll be right here waiting
I return to you, nothing left for me

Waiting

You do it to yourself
You do it to yourself
You do it to yourself
