

Down by that place you met her
I hope that you feel better
No worries here on out to me it's all fine by me so
Don't think too much about it
I hope that you don't doubt it
Leave everything alone for me

Damn that old serenade makes me worry bout she said
Makes me worry bout she said
Damn that old serenade makes me worry bout she said
Makes me worry bout she said

Down by that place you met her
I hope that you feel better
No worries here on out to me it's all fine by me so
Don't think too much about it
I hope that you don't doubt it
Leave everything alone for me

Damn that old serenade makes me worry bout she said
Makes me worry bout she said

But when it's time for this you'll move along
A true romance can't last too long for me

Down by that place you met her
I hope that you feel better
No worries here on out to me it's all fine by me so
Don't think too much about it
I hope that you don't doubt it
Leave everything alone for me
