

Lullaby

Inner Wave

Open and closed
Entirely honest
I've been waiting I'll wait for you
Just a few more days then it's through
Don't you know I hate to ask you why... but why?

All of the feels
You're in the same place that I wanna be in
All alone
It's just that I wanna be here taking it slow
I'm just taking it slow
Taking it slow
All of the feels
You're in the same place that I was that year
Keep in mind
It's just that I wanna be here taking it slow
I'm just taking it slow
Taking it slow

So yesterday I felt so...
Is that what you mean?
Is that what you mean?
If I could go back in time I wouldn't change a thing
You say I never listen but what does that mean?
Don't you know I wouldn't lie?
I wish we would get along but you're close to being gone
And now it's time to look the other way and say

It's nothing personal
We need some time alone
Don't you know I hate to ask you why
So it goes back again
