Memory(Trees)

Inner Wave

I see myself in you sometimes
I hear your voice inside my mind
To clear my head, I take a drive
I don't know why, but still I try

I hope one day we'll meet again
I hope you won't forget my name

Remember what you said to me
Give all you've got until you bleed
One day I'm sure they all will see
Your secret's safe here with me

I hope one day we'll meet again
I hope you won't forget my name
I hope one day we'll meet again
I hope you won't forget my name

Something's bound to grow apart
It's strange to me that you are gone
But then was then and now is lost
Take it to the grave with me, you'll see

I hope one day we'll meet again
I hope you won't forget my name

And I have seen them go
We would never fake it
I can keep it slow
Someone would embrace it
I have seen them go
We would never fake it
I can take it slow
Someone would've
