

Keep my eyes half open
As I sit I watch the screen
It teleports me

Who are these people standing in my room?
Who are these people standing in my room?
One day, I'll have the keys
One hand on the wheel
How does it feel?

If you wanna lose the time
Do what you almost did
And it's easy if it's tight
Focused on your walls
But I love her all again
Noticed how it is
But you knew it from the start, uninterested

Oh, oh, oh-oh
Oh, oh, oh-oh

I'm impressed you can recollect that much
You must be quick
Pulling the rest
Twisting and turning out from [?]
You made me famous, I'll take them back

Oh, oh, oh-oh
Oh, oh, oh-oh

Keep my eyes half open
As I sit I watch the screen
It terrifies me

Twisting and turning [?]
You made me famous
I hit my hands
One day I'll have the keys
One hand on the wheels
How does it feel?
How does it feel?
How does it feel?
How does it feel?
How does it feel?
How does it feel?
How does it-
