Inner Wave

We were told to love one another
We were told to hold onto each other and
We were taught that two is ideal
But now I'm telling ya how I really feel

There's more for me (More for me)
More for you if you wanted to (More for you)
There's more for me (More for me)
More for you, too (More for you)

'Cause we were trained to stick to the same old
Ways of our fathers, but I'm not about that, so it's
Time for change, God bless the souls of
Those who came and made me feel complete

Complete
Complete

Why don't we fool around and just melt ourselves?
To try our luck and re-conduct ourselves
I'll try to steal your heart, still I'm on my knees
I wouldn't run from you, you wouldn't run from me
I couldn't feel the drift happening under me
I didn't wanna take it, didn't wanna see
All possibilities are tryna set me free
And now it won't be so complex for me

More for me, more for you
More for me (More for you if you wanted to), more for you

I couldn't feel the drift happening under me
I didn't wanna take it, didn't wanna see
All possibilities are tryna set me free
And now it won't be so complex for me
