

I wouldn't pretend again so let's show off instead  
Mine isn't a place of hate so let's turn it around  
Don't she makes you don't

Take me from me  
Save me from you

I can't comprehend your head but don't ever think twice  
She doesn't believe in friends but who really knows

I wouldn't pretend again so let's show off instead  
He wasn't believable but who really knows

But who really knows

Don't change your mind  
Who really knows
