

An invitation to move away from
To crawl back inside back where we came from
But everyone's fine

A stormy outlook it keeps on coming but I close my eyes
Don't know the difference between reality and what's inside
But everyone's fine

Fine as far as I know
And everyone's right right as far as I know
And everyone's fine
Fine as far as I know
Far as I know
Far as I know

But everyone's fine
Fine as far as I know
And everyone's right right as far as I know
And everyone's fine
Fine as far as I know
Far as I know
Far as I know
