

## Untitled Two

Inner Wave

Hello my dear  
How have you been?  
It's been awhile  
Since I could talk  
Since I've said much  
My mouth's shut closed  
My heart is stone  
Family comes first  
Sometimes it hurts  
Sometimes it hurts

Hello good friend  
Where have you been  
Don't push me away  
I'll never leave  
I'll always be  
Alone  
Alone  
Ohhh, Alone  
Alone  
Alone
