

In Seductive Mist  
I'm In Your Hands  
Like A Helpless Child  
Under Your Commands  
But You Won't Bring Me Down

Cause You're Hiding Yourself Under Those Mystic Eyes  
Enchant With Haunting Melodies  
Crumbled By The Power Of The Gods  
You'll Have To Desist

It's The Yearn To Revive  
And Return To Light  
Deception Cannot Veil My Dream  
I'll Be Trialed But In Time  
I'll Find Serenity  
It's The Need To Survive  
To Regain What Was Mine  
And Return Where My Heart Doesn't Bleed  
Find Shelter In Time  
Embrace Serenity

Terrified Like A Child  
I Walk In The Dark  
But The Eager For Return  
Enlightens My Path
