It's never too late  
To go back to the place where I call  
Home sweet home  
This is where I belong

If what I'm seeing is just a dream  
Then I hope I don't ever wake up again  
Don't Say, "Joe Inoue!"  
Okay! Bring it on!  
My home sweet home  
I'll never feel alone  
As long as I'm under the sun
