Extermination

Inquisicion

Somewhere in the Future, From above
Alien race has landed to conquer the World
Savage Hordes are falling, From the sky
Unknown Warriors carrying Death
The Battle goes on...Storming the World,
Enslaving mankind in a Trail of Blood
Extermination, Atomic Guns, Seek and Destroy, Gaining Control
Destroying race after race they rejoice!
Extermination, Atomic Guns, Seek and Destroy, Gaining Control
Biomechanical Soldiers to rise!

[Solo]

Cultures crumble under Alien Fire
Misery and Woe dominate the World.
Then the Astral Breed with their cannons
Spewing Death came to defend their lives

'Till the Enemy was gone...Uniting the World,
Freeing mankind from this Nightmare

Extermination, Atomic Guns, Seek and Destroy, Gaining Control
Destroying race after race they rejoice
Extermination, Atomic Guns, Seek and Destroy, Gaining Control
Biomechanical Soldiers to rise!
