Darkness Flows Towards Unseen Horizons

Inquisition

Ancient mystic kingdom Mystical sphere Music of the cosmos Launching as spears

Sounds on the horizon Blasting in the skies Spirits of the cosmic Battlefields in mist

Universe of Satan Universe of all Flowing massive darkness Energy that flows

Far into the eternal Unseen horizons Only through the cosmic eye Knowledge will arrive

Rising Dark one Honor Satan

Pillars of the temple Crumble with fear Towers of the golden horns Blowing hymns of war

Blood of the unholy Casting rays of light Ride upon the beams of light Truest one
