

# Dickhead

Insane Clown Posse

Bitch, I'm a dickhead. So the fuck what?  
Your daddy's a faggot and your mother's a slut  
I cruise the earth without a care in the world  
I don't need any homies, and fuck a girlfriend  
I could jack off in the middle of the mall  
Only got one motto: "Fuck y'all bitches!"  
I'll punch little kids in the face and run  
I don't give a fuck if I sock your son  
I'll fake my way into bitches' hearts  
It's easy. Half of these hoes are retards  
As soon as a ninja bust a nut  
I'll flip her and piss all over her butt (Woo!)  
I'll pull my pants up and dash away  
Snatched a purse and throw the cash away  
'Cause I don't need it. I steal my shit  
From those who need it most  
I'm a straight-up dickhead

(Holy shit! What'd you say?)  
(You ain't livin' like that, no way)  
Oh yeah, bitch, I'm a dick dick dickhead  
I'm a big big big fat dick dick dickhead  
(Come on now, I mean really, hey)  
(You ain't livin' like that, no way)  
Oh yeah, bitch, I'm a dick dick dickhead  
I'm a big big big fat dick dick dickhead

I help old ladies across the street  
Whip out a gun, pull out my meat  
And scream, "Suck that," give 'em a heart attack  
When you're going to Hell, it ain't hard to pack, bitch  
I stand on the overpass and drop bricks  
Shoot up high schools just for kicks  
When I was a kid, I was a terrorist (uh huh)  
Fuckin' young hoes 'til their cherry bust (yeah)  
I still do whatever the fuck I chose  
I got the clap, syphilis, my dick ooze  
I don't use a condom; I spread the shit  
'Cause I'm a dick, bitch, and I don't quit  
I attacked my mom and dad with a sword (yeah)  
Drove a boat to the mental ward  
'Cause I'm hard, I got mad drug habits  
And torture baby rabbits  
Yo, I'm a dickhead

(Holy shit! What'd you say?)  
(You ain't livin' like that, no way)  
Oh yeah, bitch, I'm a dick dick dickhead  
I'm a big big big fat dick dick dickhead  
(Come on now, I mean really, hey)  
(You ain't livin' like that, no way)  
Oh yeah, bitch, I'm a dick dick dickhead  
I'm a big big big fat dick dick dickhead

I was born a rich kid in a loving home  
Burned it down. Free I roam  
I went to church, and I stole the dough

Every Sunday, yo, I was back for mo'  
The preacher caught me and asked me why  
I said I did it for meth and then blast his eye in  
Socked the other one, he couldn't see  
I grabbed all the money, and out I flee  
My melon is a big-ass mushroom cap  
With a pee hole right up under my hat  
I'm Mr. Dickhead, the one and only  
I rob the homeless, cold, and lonely  
Kick 'em in the fucking face and gut hard  
And then steal their shopping cart  
And shove it down a hill, 'cause I'm ill  
What's left? Find somebody to kill  
A real dickhead

(Holy shit! What'd you say?)  
(You ain't livin' like that, no way)  
Oh yeah, bitch, I'm a dick dick dickhead  
I'm a big big big fat dick dick dickhead  
(Come on now, I mean really, hey)  
(You ain't livin' like that, no way)  
Oh yeah, bitch, I'm a dick dick dickhead  
I'm a big big big fat dick dick dickhead  
(Holy shit! What'd you say?)  
(You ain't livin' like that, no way)  
Damn right, ho, I'm a dick dick dickhead  
I'm a big big big fat dick dick dickhead  
(Come on now, I mean really, hey)  
(You ain't livin' like that, no way)  
Oh yeah, bitch, I'm a dick dick dickhead  
I'm a big big big fat dick dick dickhead

The House of Wax? Let's go!  
No way, man. I ain't goin' up in there. No fuckin' way  
Why not?  
'Cause, man. That shit ain't for me
