

J's Rock Track

Insane Clown Posse

"Let me start off just by sayin' this:
Any likenesses to a certain Pearl Jam song are purely, purely speculation on
your part
Let's do it, Zug."

Juggalo, enjoy your youth
Like your pop said, it's a truth
I can't escape from the common rule
If you hate something, don't you do it too, not you

Small my table, sits just two
Violent J as I'm scrub Joe Bruce
All these ninjas storm my room
And you dare say one belongs to you, not you

This is not for you
This is not for you
Oh, this is not for you
Never was for you, fuck yeah

Your old shit was so much better
Your new shit is so much better
Your old shit was so much better
Your new shit [?]

All that's sacred comes from youth
Dedication, clown love is true
But with no power, what can I do?
But there are some who will accept Joe Bruce
Joe Bruce

This is just for you
This is just for you, juggalos
Oh, this is just for you, fuck off
This is just for you, oh yeah
This is just for you, real juggalos
Oh, this is just for you, never was for them, never was for them
This is just for you
This is just for you
Real juggalos
Real juggalos, fuck you
Real juggalos
Real juggalos
This is just for you, oh yeah
This is just for you
This is just for you
Oh, this is just for you
This is just for you
Real juggalos
Real juggalos
Real juggalos
This is for you
Joe Bruce and Zug Izland
This is just for you
Don't like it? Fuck off

"Mike P's fingers are bleedin' and everything

Ashley done broke 500 drum sticks
Gweedo broke his bass over Dan Miller's head
You mother fuckers tore the studio up
Much love to juggalos from Zug Izland and Joe Bruce
Shaggy and the Psychopathic Family
Yeah"
