

Pug Ugly

Insane Clown Posse

Ugly, ugly, ugly, ugly

This world is ugly, pug ugly, streets covered in blood
Dead bodies rotten, forgotten, stomped into the mud
So much depression and stressin', jump from high above
Dead bodies splatter, skulls shatter, a sickening thud
The world us ugly, pug ugly, God's killers and thieves
It ain't no safety, true crazy, you dare call police
Ain't just in ghettos, in meadows, murder's everywhere
Find yourself shredded, beheaded, with dull silverware
This world is ugly

This world is ugly, ain't nothin' we can do
Except to be ugly too, I'll be uglier than you (Pug ugly)
This world is hideous, ain't shit gonna change
I'll be hideous the same, it's one big hideous game

This world is ugly, pug ugly, ain't nothing here cute
Kids out here always roam hallways, take aim and then shoot
So much corruption, eruption, my aneurysms
Manic explosions, erosions, and mental prison
This world is ugly, pug ugly, no peace on this earth
That pussy threw up, spit you up, you've been fucked from birth
They'll rape and kill you then fill you with unleaded gas
Then for the delight, they ignite a match up your ass
This world is ugly

This world is ugly, ain't nothin' we can do
Except to be ugly too, I'll be uglier than you (Pug ugly)
This world is hideous, ain't shit gonna change
I'll be hideous the same, it's one big hideous game (Pug ugly)

This world is ugly
Pug ugly
This world is ugly
This world is, this world is pug

This world is ugly, pug ugly, no pretty white doves
Nothing but bedlam, pure redrum, bloody murder gloves
Stray bullets flyin', whiz by-in', stuck in some kid head
Your world was awesome, you lost some, now it's full of dead
This world is ugly, pug ugly, acid thunderstorm
This ain't no nightmare, it's right here, the bloodshed is warm
Bodies corroded and bloated with maggots and flies
This world is beautiful, quit tellin' lies
This motherfuckin' world is ugly

This world is ugly, ain't nothin' we can do
Except to be ugly too, I'll be uglier than you (Pug ugly)
This world is hideous, ain't shit gonna change
I'll be hideous the same, it's one big hideous game (Pug ugly)
This world is ugly, ain't nothin' we can do
Except to be ugly too, I'll be uglier than you (Pug ugly)
This world is hideous, ain't shit gonna change
I'll be hideous the same, it's one big hideous game (Pug ugly)
