

# Revenge

## Insane Clown Posse

I always get revenge, if down the road or right away (Facts!)  
And once I finally do, don't think that they just got away (They didn't!)  
I hit your ass again, and then again; it never ends (Facts!)  
Relax, I shun, and safe at last, them feelings ain't your friend ([?])  
You may even have never known the bonus 'cause of me (Clown love!)  
I don't need credit as long as fucked is how you be (For sure!)  
We gon' hit you again and again in the ER (True that!)  
Hit you again up in the morgue, 'cause wicked's what we are

Traumatize you, then surprise you  
More and more, 'til you realize you  
Fucking with guys who pulverize you  
And we have spies who do despise you  
But that's a blaze, to obliverize you  
Analyze you, we in disguise, too  
With only two tries, the chance to rise  
And meet your demise, we neutralize you

You nerdy pussy holes, you steal our shit, and you will learn ([?])  
My only concern is to be certain that you burn (For sure!)  
I don't forgive or work it out. Work your mouth on my dick (Clown love!)  
I bury you in Picker Forest, cross made out of sticks

Never safe, you're always hunted  
Never safe, revenge we want  
No compromise, you're always hunted  
Never safe, revenge is wanted

I'll kill your fucking mama, send her nipples to your house (Heh heh!)  
Commit a home invasion, slap a brick across your mouth (Eat it!)  
Shoot your baby mama in the knee and snatch her purse ([?])  
Next time, it's much worse. You'll catch her right up in a hearse (Aah!)  
Steam roll over enemies, and we will never pay (Oh yeah!)  
Wake you up at 47 off a beat from seventh grade (Tell 'em!)  
I'll set a fucking car bomb underneath your driver's seat (For sure!)  
I don't care who in your family ends up all over the street

With that phony show, juffalos  
Reap what you sow, dick you blow  
You sold your soul to try to grow  
But we all know it's just a money hole  
Watched by a crow because they know  
Your [?], your time is low  
The Reaper show, and you roll  
Off you go, in a coffin, ho!

You bitches feed off us like babies sucking on a tit (For sure!)  
You, rooftop cross the street, I'll put a bullet in your hip (Macc!)  
Guarded by pussies who guard your booty with their dick (Legit!)  
I'ma blow your house up, scream "clown love" and hit the switch (Clown love!  
)

Never safe, you're always hunted  
Never safe, revenge we want  
No compromise, you're always hunted  
Never safe, revenge is wanted

You thought we were just cool with you ho'ing us the fuck out?  
Go see the nice dream man and have yourself a cocksicle, bitch!  
'Cause we comin' back for ya!  
And you never know when Red Fred gonna pop out the box  
And bust you out your socks, bitch!

Never safe, you're always hunted  
Never safe, revenge we want  
No compromise, you're always hunted  
Never safe, revenge is wanted
