Shout

Insane Clown Posse

```
Shout

Goin all out

Fuck off (fuck havin that shit)
Tellin em all to fuck off (fuck havin that shit, fuck takin that bullshit, c

Tellin em all to fuck off (fuck havin that shit, fuck takin that bullshit)

In violent times
You shouldn't have to sell your soul
Stand up fight back
Let them muthafuckas know
Those hateful minds
That took you for a bitch you know
They push so hard
You shouldn't have to crack your jaw
You shouldn't have to swing at all

Shout
Shout
Goin all out
This is the shit
One can do without
Fuck off (fuck havin that shit)
Tellin em all to fuck off (fuck havin that shit, fuck takin that bullshit)

You mind you own
And in return they gave you hell
They don't let up
You try to keep your cool but fail
Cuz all that pussy shit is stale

Shout
Shout
Goin all out
This is the shit
One can do without
Fuck off (fuck havin that shit)
Tellin em all to fuck off (fuck havin that shit, fuck takin that bullshit, c
'mon)

Everybody's on my case
They nicknamed me "can't get straight"
Say I'm in it up to here
While they all laugh
And point
Or stare
Inside I'm building up with hate
```

```
Pestering [?]

Beat you till your black and blue
Crack you in that bitch ass mouth
All my angers coming out

Shout
Goin all out
This is the shit
One can do without
Fuck off (fuck havin that shit)
Tellin em all to fuck off (fuck havin that shit, fuck takin that bullshit, c
'mon)

And when you think it's all ok
They got you by surprise
And now you know they go to pay
Now you know they got to pay

Shout

Goin all out
This is the shit
One can do without
Fuck off (fuck havin that shit)
Tellin em all to fuck off (fuck havin that shit, fuck takin that bullshit, c
'mon)

Goin all out
This is the shit
One can do without
