"Yeah, you give sax lessons. Why not at this time of the night?
I'm only up at this time of the night. I play music of the night.
No, no, I'm not awake in the day.
Read my lips, scary. Aww, man, why you guys in the goddamn,
Yellow Pages then, the fuckin, the goddamn, what's it, no,
it's the Weekly. In parentheses, 'No gig...too scary'.
And that's just what I am. Scary."

Look up in the sky, it's a bird, it's a plane
Nah, bitch, Super Balls, is the name
And I come from a far away planet
Southwest Del Ray, goddamn it!
And it's the land of the smog-filled maniacs
Super Balls, and concrete nutsacs

I met a girl looked a lot like a turkey
So I fucked her and her neder went bublabublabubla
Cuz I could give a motherfuck about looks
I just chalk up another one for the books
I know this bitch fat n' round like a beachball
You can roll her up, and bounce her off the wall
We played ball, shoot hoops, she can hold steady
Then I stick my dick down in the fat patty
Just cuz no one calls ya home
Don't mean that you're all alone
Just call Super Balls to the rescue
Now here's what I'm a do
I might stick my big toe in your butthole
And then tickle your neder with my other toes
Ugly bitches in need, I crash through their walls
Big daddy J Violent Super Balls

Ain't no bitch too whack (better ask somebody)
Ain't no bitch too ugly
For Super Balls, whoop whoop! (2x)

"It's a bright mid-summer day in Metropolis, and there's not much
news fit to televise at Galaxy Communications. Where, in his
office, Clark Kent is monitoring the twelve o'clock news."
"Uh uh, it goes thump thump thumpin against your clit"
"Harder, harder!"

"Lois Lane, ace reporter for Galaxy Communications, opens Clark's door and looks in."

"When the hell do I get something out of this?"
