

# The Kreayshawn Song

Insane Clown Posse

Crazy Kreay Kreay  
You know, I thank you for doing that song with us  
I really do  
And every time I hear it  
Every time I hear your voice  
I just wanna bang that shit out backwards  
I'm not gonna lie  
[\*laughs\*]  
But still, girl. I'm steppin'  
It's true, bitch

Kreayshawn, it's on. I won't front  
Straight the fuck up, can I hit that... blunt?  
My way of saying let's kick it  
My shit's explicit. My dick you kiss it  
Gobble, lick it, terrific it tastes  
[?] in out of your face  
So you like chicks? I'll dick some with ya  
Hit ya, split ya, Twitter the pictures  
Get ya wet as an ocean  
Skeet in slow motion. Pump out the lotion  
It's my notion to cause a commotion  
Blow your whole neden frame out, (Boom) explosion  
Big wicked clown, my dickin' is drastic  
My only hope? You're frickin' elastic  
It's fantastic you like it rough  
What up? I'll throw this dick at your butt

Kreayshawn (Kreayshawn)  
I wanna hit that  
My penis (Penis)  
We wanna split that, I know  
"I'm pretty sure you're a lesbian"  
But still, can I hit that shit?

I fuckin' love your shit, that Gucci Gucci (Uh huh)  
It make me wanna smooch your coochie  
Lookin' at you, I'm the only thing missin'  
Your neden all on my breath when we kissin'  
Baby, I'm blunt. I'm not dissin'  
Battle me, you'll meet a mortician  
Fuck around and get kicked in the puss  
I know some deadly ninjettes. Don't push me  
Tushy probably tastes like Sweethearts  
And Swisher Sweet blunt smoke mixed with farts  
But what do I know? I speculate  
What up with a shot of head before the date?  
And again when it's over, slip up the slide  
Top it off first. Don't just stick it inside  
It's all in your eyes. When you high, you freaky  
Plus you a dyke, so it's tight and squeaky  
Yeah [\*laughs\*]

Kreayshawn (Kreayshawn)  
I wanna hit that  
My penis (Penis)  
We wanna split that, I know

"I know you probably got some little weakling-ass boyfriend"  
But still, can I hit that shit?

You know, I'll dick you down like I'm King Kong  
And you, just a sweet little fawn (Aw)  
With a mini skirt on, no panties  
Next to you, your girls all look like trannies  
Seen all your nudie pics freak online  
Let's take some new shit with big me behind ya  
I'll say Kreay, (Hey) meet big wang [\*boing\*]  
Whip it out, and then you like "Dang!"

Kreayshawn (Kreayshawn)  
I wanna hit that  
My penis (Penis)  
We wanna split that, I know  
"Don't be scared of my dick. It's alright"  
But still, can I hit that shit?

Yeah. Write back soon  
But keep it on the low  
Shit, my baby's mama will kick my ass  
Kick your ass, too  
Shit  
We can do another song together, though  
That'd be dope  
Unless you trippin'
