Insane Clown Posse

Yo Baby Violent J's the Mack  
Hoe trick bitches I love you all  
Cause I drill threw your neden like a God damn chainsaw  
I last a while, and when I finally nut  
It'll come out your ears and shoot out your belly button  
I'll wine you and dine you and when we's in the sack  
Put my shoulder on your stomach and put my foot on your back  
Right leg stuck to the wall with super glue  
Then I start strokin' like a Chinese Kangaroo  
I tie your leg to the mother fuckin' bed post  
Insert my ding-a-ling and you're howlin' like a ghost

Violent J's the Mack  
Yo Baby Violent J's the Mack

I do back flips, like an acrobat  
And then slap you in your face with my nutsack  
Cause I work ya like a Siamese shogun  
Bring your Great Grandma and that'll be more fun  
Cause age, ha, I got no standards  
I'll show my scrotum sack to innocent bytanders  
I'll tie your legs together, behind your head  
Then do you like the Skipper on my water bed  
I once fucked a girl with 3 titties  
Two pussies, six booties in the inner city  
Yeah I'll never forget that hoe  
Cause I spread her frog legs and fucked her with my big toe
