

## Dawn of Possession

### Insidious Decepancy

Awaiting messiah  
To save us from sin  
A second hope, His reign begins  
Born of virgin, To conquer mankind  
Deity from Hell, Satan Divine...

Christ possessed, I am born...

Twist of scripture  
Christ possessed  
Come forth with wrath  
Evil obsessed  
Hatred and war  
Sadistic spell  
Swallows the earth  
Thanks be to Hell

Christ possessed, The dawn has come...

Praise the day the Christ child is born  
Born of woman, to evil he's sworn  
To rule mankind like no other before  
Unholy throne, Christ above

Arise in flames... I am born  
I ride with fury... I rule with scorn  
Evil will conquer... And forever will be  
Bleed in pain... Kneel to mesinned, Their blackened hearts ripp  
ed from thier chests  
Forgiving God, exalted high  
"Pease forgive our sins!"...

Into Everlasting Fire

Blessed in life, flourish in death  
Children of God... destitute  
Embrace of love... loses hold  
Bond of trust... misconceived  
Tears erupt... fall to hell  
Caressed by fear... We die as one

Mourners of a dying world  
To late to reconcile  
Into Everlasting Fire  
Can't you see it's Satan's world
