

# The Witch Hunter

Insomnium

"To great heights has the power of Satan risen in this country  
The Antichrist is like a wolf on the prowl, hunting the weakest"

Foul creatures roam these lands  
Murderers and blasphemers  
Devil's work has been done here well  
Unchastity and heresy

Light of the morning star  
Shines there upon her brow  
Consort of the Evil One  
Sorceress of deceit

Thou shalt not let the witch live  
Thou shalt not mock the God's name  
Thou shalt not let the witch live  
Thou shalt not mock the God's name

All shall fall  
All our towers break  
For all shall end  
If I will fail

"Affection and envious neighbors... Were those your words?  
As if Lucifer didn't have his hand in these acts of horror happening in this  
country"

Final hour to make a stand  
Final hour to turn the tide  
Lord's work is to be done here now  
Retribution of the one true God

If my hand won't falter  
If my will won't hover  
I will chain this werebeast  
I will shackle her kin

If my faith won't weaken  
If my heart won't give in  
I will redeem this land  
From the Devil's dark maw

Thou shalt not let the witch live

Thou shalt not mock the God's name  
Thou shalt not let the witch live  
Thou shalt not mock the God's name

All shall fall  
All our towers break  
For all shall end  
If I will fail

Thou shalt not let the witch live  
Thou shalt not mock the God's name  
Thou shalt not let the witch live  
Thou shalt not mock the God's name

Thou shalt not let the witch live  
Thou shalt not mock the God's name  
Thou shalt not let the witch live  
Thou shalt not mock the God's name

Thou shalt not let the witch live  
Thou shalt not mock the God's name  
Thou shalt not let the witch live  
Thou shalt not mock the God's name
