

## Sonata #12

### Inspection 12

As she waits by the phone  
She's more than hurt  
She's all alone  
With no one to talk to  
She's always all by herself  
She doesn't understand  
She's crushed to the bone  
And no one cares for her.  
And as she waits there  
Not knowing what he should do  
He cares for many  
But no one as much as you  
As far as we've come  
It's not worth turning back  
And now, I need someone to talk to  
I want you to know  
You've been a friend  
As far as we've come  
It's not worth falling down  
And now, I need someone to talk to
