

# So Far

Inspiral Carpets

Hey now, watch the time, it'll get too late  
There's so much to do, you'll have to wait  
But there's no room for you inside my head  
Painted grace got through is what I said  
So fads gather, but they're all in vain  
You run round the circles just the same  
But I don't listen to a word you say  
My heart beats up faster every day  
THERE CAN BE NO DOUBT  
SO FAR FROM TODAY  
TRIED TO WORK IT OUT  
I CAME BACK TO CHANGE THINGS ANYWAY  
How come things seem so different now ?  
Someone turned the tables round somehow  
Who's to say, and what else can I do ?  
Something's wrong, I wonder if it's you  
THERE CAN BE NO DOUBT  
SO FAR FROM TODAY  
TRIED TO WORK IT OUT  
I CAME BACK TO CHANGE THINGS ANYWAY
