

## Die Hard

### Integrity

That last moment  
Valued at a hundred words  
A crystal clear picture was painted  
And when I looked into your eyes  
The pain I saw, such horror inside

I can't believe what I did to you  
I can't live with the memories  
Now I'm left all alone  
Now that you're gone  
I can't go on  
Trial of humanity  
Going on inside of me  
And the verdict...  
Will be the death of me  
Now I'm left, the shell of a broken man  
With nothing left but regret  
I let them take you away  
All I did was watch  
Those times we shared  
Those memories  
I'll always die hard, Sable
