

# Psychological Warfare

**Integrity**

For as long as times existence  
I've struggled with my own persistence blanketed  
by deceit and willing stalking your young  
as you kept on breeding filth upon filth  
it never ends annihilation,  
humanities only escape angels surrounding another victim  
(as it all begins to fade)  
Warfare consisting of frequencies  
unbearable to your nervous system  
existing far beyond your won intentions  
and still you can't see the power
