

# Options

## Internet Money

Yeah, oh  
If you had options  
Then why'd you even stick around  
Long enough for me to find out?  
Fuck your emotions  
You called me in the dead of night  
You expected me to pick up

When you lied enough for me to believe  
You'll never change at all  
If you had options  
Then why'd you even stick around  
Long enough for me to find out?

First you lie to me, then you cry to me  
You can act like you care but you obviously  
In a fantasy, far as I can see (Woah)  
Only time that you call, when your options leave

Well I'm too far gone to deal with your bullshit (Woah)  
Fill my cup, I don't want to do this (Oh, oh)  
Too far gone to deal with your bullshit  
I just got to know (Hey, hey, hey)

If you had options (Yeah)  
Then why'd you even stick around  
Long enough for me to find out? (Out)  
Fuck your emotions (Yeah, yeah)  
You called me in the dead of night  
You expected me to pick up

When you lied enough for me to believe  
You'll never change at all  
If you had options (Yeah, yeah)  
Then why'd you even stick around  
Long enough for me to find out?

Why you keep on calling?  
Text when I don't want it  
Telling me you want my time (Oh, no)  
But baby, when you had it  
All you did was trash it  
Girl, shit was out of line (Oh, woah)

If you had options (Yeah)  
Then why'd you even stick around  
Long enough for me to find out?  
Fuck your emotions  
You called me in the dead of night  
You expected me to pick up

When you lied enough for me to believe  
You'll never change at all  
If you had options  
Then why'd you even stick around  
Long enough for me to find out?
