

Really Redd

Internet Money

Hahaha, Nick, you're stupid

They try to keep up but they can never hang
They say they with us but they ain't really gang
They say they real ride but they ain't never bang
They say they with White but they ain't never slang

Niggas banging this shit but they ain't really redd
They ain't really redd, bitch, they ain't really redd
Niggas banging this shit but they ain't really redd
They ain't really redd, bitch, they ain't really redd

Got a whole lotta red
Got a whole lotta, whole lotta hoes in my bed
Got a whole lotta fours in my cup, sip 'til I'm dead
Got a whole lotta, whole lotta bros in the feds
Got a whole lotta, whole lotta shit in my head
Shit, wish it would get out
Told her grab her shit, bitch, get out
Told 'em pass the torch, it's time to sit down
Fuck it, grab the K, everybody get down

They try to keep up but they can never hang
They say they with us but they ain't really gang
They say they real ride but they ain't never bang
They say they with White but they ain't never slang

Niggas banging this shit, but they ain't really redd
They ain't really redd, bitch, they ain't really redd
Niggas banging this shit, but they ain't really redd (They ain't really)
They ain't really redd (They ain't really), bitch, they ain't really redd (K
eed talk to 'em)

All these niggas getting caught in these deals, they ain't redd (All these,
all these niggas)
That lil' bitch pussy paint my droptop red (Pussy)
Wish a pussy nigga ever say that I ain't led (Pussy)
To the droptop, to the private jet, to the mansion, to the bad bitch (Let's
go, let's get it)
But I know my partner gone, ain't snitchin' though, he a savage (Let's go, l
et's get it)
All my four pockets full, got a fifth pocket on cabbage (Yeah)
All eyes, doin' five runts for a drive by in that Caddy'
Yeah, yeah, tryna keep up, but they know I ain't hit it (Yeah)

They try to keep up but they can never hang (Keed, slime ball)
They say they with us but they ain't really gang (Yeah, slime, slime pole)
They say they real ride but they ain't never bang (Trippie Redd, my fuckin'
brother)
They say they with White but they ain't never slang (Let's go)

Niggas banging this shit but they ain't really redd
They ain't really redd, bitch, they ain't really redd
Niggas banging this shit but they ain't really redd
They ain't really redd, bitch, they ain't really redd

My shoes, yeah, they red bottom (Red bottom)

The beam on your head comin' from my choppa (From my choppa)
Niggas steppin' over bodies, make 'em red bottom (Yeah)
If I weren't forget about that body, call your bitch up (Yeah)
She's a head doctor, suck me up with no problem
As I sip this red out my cup and this bitch got me rock hard
Everything she think about big slime, she like "Oh my God"
Shawty, it's the hardest, so the hardest, man, I sweat to God

They try to keep up but they can never hang
They say they with us but they ain't really gang
They say they real ride but they ain't never bang
They say they with White but they ain't never slang

Niggas banging this shit but they ain't really redd
They ain't really redd, bitch, they ain't really redd
Niggas banging this shit but they ain't really redd
They ain't really redd, bitch, they ain't really redd
