

## Next Exit

Interpol

We ain't going to the town  
We're going to the city  
Gonna track this shit around  
And make this place a heart  
To be a part of  
We ain't going to the town  
We're going to the city  
Gonna track this shit around  
And make this place a heart  
To be a part of  
Again

No end  
With no end  
With no end  
With no end  
With no end  
With no end  
But we've come so baby

Make it with me in preparation for tonight  
We've got so much to leave  
That's not what makes this right  
You've been building up steam  
Ignited by this fight  
So do this thing with me  
Instead of tying on a tight one tonight

With no end  
With no end  
With no end  
And we're gone  
We ain't going to the town  
We're going to the city  
Gonna track this shit around  
And make this place a heart  
To be a part of  
Again
