

## No I in Threesome

Interpol

Through the storms and the light  
Babe, you've stood by my side  
And life is wine

But there are days in this life  
When you see the teeth marks of time  
Two lovers divide  
Sound meets sound, babe  
The echoes they surround  
And know that we need is one thing  
Now what is there to allow?

Babe, it's time we give something new a try  
Oh, alone we may fight  
So, just let us be three  
And baby tonight  
I see your lips are on fire  
And life is wine

Now the windows are open the moon is so bright  
There's no one can tell us what love brings, you and I  
Sound meets sound, babe  
Her echoes they surround  
And know that we need is one thing  
Now what is there to allow?

Babe, it's time we give something new a try  
Oh, alone we may fight  
So just let us be three, tonight  
Through the storms and the light  
Babe, you've stood by my side  
And life is wine

You feel the sweet breath of time  
It's whispering, its truth not mine  
There's no I in threesome

And I am all for it  
Babe, it's time we give something new a try  
Oh, alone we may fight  
And feathers bend like trees in the moonlight  
Babe, it's time we give something new a try  
Oh, alone we may fight  
So just let us be three tonight
