Interpol

Your secret's safe here  
It'll never leave  
It's in the basement for ya, na'mean  
Won't seek replacements  
My ballerina  
There's many faces in my gallery

Ella, I don't know what week it's under  
Ella, it gets old it gets old  
Ella, teletext or you can call me  
Galavanting heart  
I don't know what week it's under

Your secret's safe here  
It'll never leave  
It's in the basement for ya

Ella, I don't know what week it's under  
Ella, go and talk to Steve about it  
Galavanting heart  
I don't know what week it's under

Don't need replacement  
Your secret's safe here
