

# Fukushima

## Into Eternity

Entranced by insanity  
Entranced by the thoughts in my mind  
I only want to be free  
Fukushima

The candles were lit for the dead  
Fukushima  
The candles were lit for the dead  
Rebuild and overcome

Situation deteriorating  
An ongoing crisis  
Decommissioned  
Never to surrender

Arise  
Emerge the victor  
Overcome and Prevail  
Outliving the weather

Fukushima  
Transcend and engulf a new life  
Obtain and dominate  
Fukushima

The candles were lit for the dead  
Fukushima  
The candles were lit for the dead  
Rebuild and overcome
