

## Pralyzed

## Into Eternity

Running away from within  
Emptiness follows you there  
Rapidly shift inside  
Swallowed by apathy

Flowing perpetual streaming  
Your dismay is concerning

Paralyzed  
With fear in your eyes  
Paralyzed  
The fear won't subside

Bleeding until deep despair  
Grasped to corrupted lies  
Never to falter again and again  
Your truth has long since died

Flowing perpetual streaming  
Your dismay is concerning

Paralyzed  
With fear in your eyes  
Paralyzed  
The fear won't subside

[solo]

Paralyzed  
With fear in your eyes  
Paralyzed  
The fear won't subside
