

Akron, OH

Into It. Over It.

Our personalities provide some fresh perspective in a backyard.

Your yard

We drank irresponsibly. Provided fresh perspective in a backyard. Our yard

So let's get these stories straight before the call last call in this place

Because disappointments written all over the bartenders face

Been here so many times sometimes it feels like my name's on the lease

Day drinking afternoons. Our youth is the secret we keep

And we can stay up all night here with you

Yeah, we can stay up all night here with you

Drawing swords with the force. We own the mischief we seek

Let's get our stories straight before they call the cops on this place

Because disappointments written all over the bartenders face

It's like I'm a different person here

It's like I've changed overnight

Annabelle's is dead again anyway

Let's move and soak in the sights

I'm a different person here

It's like I change over night

Thirty-five. Going on fifteen

Two 40's feeling alright

Because I'm a different person here

It's like, it's like I've changed overnight

So set the course for hardwood floors

It's what we can always afford

So let's get our stories straight before they call last call in this place
