

I'm The Captain Who Abandoned His Ship

Intohimo

How can it come to,
How can it come to this
How can I let this happen
All this will be,
This will be the end of me
This will be the end

The end of me
When this will be the end of me
This will be (the end of me)

And only caring about my own
Self-centered, sad, little world
And only caring about my own
Self-centered, sad, little world

'Cause Things I don't see
I don't have to feel
And things I don't feel
I don't have to care about

I brought it on myself
Yes, I brought it on myself

I'm only caring about my own
Self-centered, sad, little world
And only caring about my own
Self-centered, sad, little world
And only caring about my own
Self-centered, sad, little world
And only caring about my own
Sad little world

This will be,
The end of me
This will be,
The end of me

(This will be the end, The end of me)
It's is all yours to change, Oh, it's all yours
(It's is all yours to change, It's is all yours)
It's is all yours to change, Oh, it's all yours
(It's is all yours to change, It's is all yours)
It's is all yours to change, It's is all yours
(It's is all yours to change, It's is all yours)
