

Anything For You

Intro

I'll do
(Anything for you)
Don't run away
(Anything for you)

How to make you see
What you mean to me
How do I get through to you?
Girl, you know that I
Do my best to try
To make you understand
I wanna be your man

(Baby, you know that I)
You know I'd give you the world
If it were mine, yes I would
(Baby, you know that I)
I would do anything
To make you mine, if I could

Don't run away
From my loving baby
I'll do anything for you

Don't run away
From my loving baby
I'll do anything for you
Don't run

Girl, you know I try to find the words
To say I love you
But I lose
Control and I love
The way you make me
I wanna stay this way forever
For real

(Baby, you know that I)
You know I'd give you the world
If it were mine, yes I would
(Baby, you know that I)
I would do anything
To make you mine, if I could

Don't run away
From my loving baby
I'll do anything for you

Don't run away
From my loving baby
I'll do anything for you
