Feels Like The First Time

Intro

Hey, how you doing?
I know it's late but
I've been thinking about you all day and
I just wanted to know
('Cause you make it feel)
Do you remember that first night we met?
(Make it feel)
I just wanted you to make it feel
(Like the first time)
(Feel it, oh baby, 'cause you make it feel
Yeah, yeah, like the first time, like the first time, yeah, oh)

I never wanna see you cry
Unless the tears are joy in your eyes
Like the first time we made love
And I said "I love you"
I never wanna say goodbye
You got to know my heart won't lie
The closer I get to you
I wanna have sex with you the whole night through

'Cause you give me all your lovin', baby
(Your love)
Girl, you're blowin' my mind
(You blow my mind)
You don't need to hurry (No, no)
Relax, unwind (Take your time)
Give me all your lovin', baby
(Give me all your love)
Girl, you're blowin' my mind
('Cause you make it feel just like the first time)
It feels like the first time
(Just like the first time)

You make it feel like the first time
(Take your time, do it right)
Feel like the first time
(Oh, oh) Whoa-oh (Baby) Oh, oh
You make it feel like the first time
(Make it feel like the first time)
Feel like the first time
(Slow, yeah) Whoa-oh (Hey) Oh, oh

Can you come home with me tonight?
Can you do the thing you know I like?
Can you love me down from head to toe?
Wherever you lead me I will follow
Can you be sure to let me know?
I'm movin' too fast, I'm movin' too slow
I'm gonna give my very best
'Cause you deserve my all, nothing less

(I know that you) Give me all your lovin', baby
(Give me all)
Girl, you're blowin' my mind (My mind)
