

Higher

Intro

Your love keeps lifting me higher
Higher than I've ever been before
Your love keeps lifting me higher
Higher than I've ever been before
Your love, your love

Your love keeps lifting me higher
Higher than I've ever been before
Your love keeps lifting me higher
Higher than I've ever been before
Your love, your love

Your love is special to me
It's something that I need
It's so important to me
Like the air that I breathe
Can't do without your love
Can't be without your love, your love

Your love keeps lifting me higher
Higher than I've ever been before
Your love
Your love keeps lifting me higher
Higher than I've ever been before
Your love, your love

The day that god smiled at me
I saw you standing right there
I knew I'd have to have you
I knew I'd have to play fair
Can't do without your love
Can't be without your love
Your love, your love

Your love keeps lifting me higher
Higher than I've ever been before
Your love keeps lifting me higher
Higher than I've ever been before
Your love, your love

Let me be, let me be the one
You give your heart to
I promise you, I'd never let you down
I'll always be around

Your love keeps lifting me higher
Higher than I've ever been before
Your love keeps lifting me higher
Higher than I've ever been before
Your love, your love

Your love keeps lifting me higher
Higher than I've ever been before
Your love keeps lifting me higher
Higher than I've ever been before
Your love, your love
