

Love Thang

Intro

Love thang, yeah
(We got a love thang)

Honey, don't you know that I've been waiting
Every day anticipating
For a woman just like you to come my way
Hey, I've been searching the right and wrong
'Til I'm so glad you came along
To end this loneliness I found
And it's good to have you around

Because you make me, so happy
I've got to let you know that I'll never let you go
And you make me feel, so special
You're mine and mine alone
We got a love thang going on, on, baby

No doubt about it
We got good thang going on
(We got a good thang)
No doubt about it
We got a love thang (Baby)
No doubt about it
We got a good thang going on
(We got a good thang)
No doubt about it
We got a love thang

Hey, ooh, tell me, girl
Anything that I must do
'Cause there's no mountain too high
No valley low for me to
Keep you completely. love you down so sweetly
Nothing but a love thang going on
And the feeling's oh so strong

'Cause you make me, so happy
I've got to let you know I'll never let you go
You make me feel, so special
You're mine and mine alone
We got a love thang
A love thang going on
