

Give up, dumb down  
Forgetting all your dreams  
So buy in, take out,  
And grabbing all you see  
You sold out your ideals  
When they got in your way  
Forgot about compassion  
When it affected your pay  
So 1..2..3..and all i want to know  
Is money all you see  
When you let your eyes close?

So go, and sell it, your life is what you make of it  
So go, and sell it, this is the only life ive got and im not gu  
nna waste it.

[Chorus]

Go..fight..know your rights..demand your society provide a bett  
er life

Nice house, nice car, nice life, nice yard  
Pre-planned outline, it's not that fucking hard  
Well everyone can do it if you follow all the rules  
Be tough, believe in god, and graduate school.  
Something for nothing?  
Well look at whose paying  
Something for nothing?  
Well look at whose paying  
Your freedom is the currency  
And you spend it so fast  
With an artificial urgency, cause you know it

So go, and sell it, your life is what you make of it  
So go, and sell it, this is the only life ive got and im not gu  
nna waste it.

[Chorus]
