

I wish I knew you more  
I wished that feeling away  
And it always comes back  
In my head very late  
When I rest my head to lay  
My thoughts get the best of me

That day  
The clouds hung over me  
That day  
It seems so distant

Brother  
Do you watch over me?  
Brother  
Why do you linger inside my mind?

On my own  
You have no business haunting those you loved  
Don't know exactly  
Where you are  
In the afterlife  
My brother  
I cared so much  
Forced to grow on my own  
Forced to fill your shoes, and to take on the world  
Forced to grow on my own  
Forced to fill your shoes, and to take on the world  
To take on the world  
Now time has left me to heal  
You disappeared, you disappeared  
The last thing I want to do is feel  
You had a brother, you had a brother  
Now time has left me here to heal  
The last thing that I want to do is feel

Brother  
Do you watch over me?  
Brother  
Why do you linger inside my mind?

Despite what I've said  
I'm not bitter  
Only regretful of the time  
We didn't spend  
The laughs we didn't share  
The brother  
You could have been
