

Compulsive Degradation

Inveracity

Suffocate and choke
In blood that runs so cold
Drown in perversion
Mass decapitation

Sick - absurd - repulsive
Reek of the disgusting
I'm your savior
Orgiastic fornication

Remnants of deprivation
This time I'll bring you to your knees
Remnants of deprivation
Drown into sodomy

Suffocate and choke
In blood that runs so cold
Drown in perversion
Mass decapitation
