

Faced By A Stranger

InVisions

I hate the way it feels I lost myself trying to be someone else
for you

Can't help but love the way it feels

Another master of disguise exposed, unmasked I've realized

You know it hurts like hell when you're lying to yourself and y
ou can't admit it I'm not the man I used to be, he's dead insid
e me

Fuck

So talk your shit about me

Cause I don't listen

Don't tell me who to be

Your worth was only ever one thing

Fake, I've known all along

My reflection's so cold and empty and you can't help me

Faced by a stranger a dream I've broken down

I can't breathe

I've broken down I can't breathe

So keep on trying but you'll never find someone who fucks you j
ust like me (just like me)

And when you're with him all you're thinking is how much you fu
cking miss this D

Never gonna change the fact I hate you for what you have done
You have done

Fake, I've known all along

My reflection's so cold and empty and you can't help me

Faced by a stranger a dream I've broken down I can't breathe I'
ve broken down I can't breathe

Talk shit, fuck you I just don't give a fuck

Talk shit, I don't trust your disguise

Fuck you, I don't care about your lies

Talk shit, I don't trust your disguise I just don't give a fuck
, I just don't give a fuck

Fake, I've known all along

My reflection's so cold and empty and you can't help me

Faced by a stranger a dream I've broken down I can't breathe I'
ve broken down I can't breathe

Talk shit, fuck you I don't trust your disguise Talk shit, fuck
you I don't care about your lies
