

# Parasite

InVisions

So try and separate the devil from what's left of me  
Don't know what you think you saw  
But I'm gonna call it like I see  
You hang on to every fucking word I say  
So pay attention, life's a lesson and you  
Have chosen the hard way!

Everything you said  
Is fucking venom tryn'a  
Get inside my head  
I'll leave you wishing that  
You'd not met me, you'd not met me!

Yeah, I can feel it, I can taste it and it's in my skin  
It's in my skin  
I don't want it, I don't need it, bitch I'm saying  
Can't you tell?  
I never fucking cared

Yeah I'm back on another fucking level  
I don't wanna disrespect you but I gotta tell you how it is  
She a nightmare bitch and she fucked that shit  
Tryn'a play it down but girl I know the truth, admit it  
She a nightmare bitch  
Got me thinking like it's counterfeit  
Nightmare bitch

Everything you said  
Is fucking venom tryn'a  
Get inside my head  
I'll leave you wishing that  
You'd not met me  
That you'd never checked me  
Everything you said  
Is fucking venom tryn'a  
Get inside my head  
I'll leave you wishing that  
You'd not met me, you'd not met me

'Cause everybody's always looking at me  
Like you're not the same person that you used to be  
Keep on running your mouth, yeah but you ain't shit  
You had the nerve to start it  
Now watch me finish it

Fuck your shit, hypocrite  
Talk like you know what I am  
You don't know dick  
Yeah, you don't know shit
